CENTER FOR  
INTERNATIONAL AND  
CULTURAL EDUCATION

## About the Course

Using a global, issues-oriented approaches, this course will study sports, leisure and the Olympics, and their relationship to society and culture in Scandinavia. By participating, attending, and experientially reflecting on engagement within various cultural and societal sites throughout Scandinavia, students will critically explore the links that exist between sport and leisure and the major spheres of social life.

## Requirements

Students are required to complete all assigned readings and keep a daily journal during the trip. Upon return to the United States, students will complete a photo journal, allowing you to reflect, analyze, and critique your experience.
